**MILK PROGRAM DISCONTINUED**

Due to lack of interest the Milo School will not be providing a lunchtime milk program for the rest of the school year. We will revisit the possibility of running a milk program again in the fall. Sincere apologies to those few that were signed up and thank you for supporting the program.

We are on the web!

St. Valentine's Day

Please check your child's agenda for class party or activity plans.

Hello, everyone,

It's difficult to believe, but we're now through one half of the school year. This time of year marks the end of the first round of diploma exams and of the first semester. It also marks the beginning of "survey season," at schools across Alberta, as Alberta Education takes the pulse of parents, students and staff. They do this using Accountability Pillar surveys, mailed to the homes of select parents of students in public, separate and Francophone schools, and online surveys (where possible) of select students and teachers as well.

If your household receives one of these surveys, please take a few minutes to respond. The information you provide is valuable to your school, our division and to Alberta Education. The surveys and other data in the Accountability Pillar help us celebrate what's going well in our schools and focus resources on areas that could do better. This effort helps us better serve our students, support our staff and meet the expectations of our parents.

In Palliser, all parents of students in grades 4, 7 and 10 should receive a survey. If your school has fewer than 120 students in grades 4-12, parents of all students in grades 4 and up will receive a survey. Please put your survey back in the mail by Feb. 24, 2012.

Thank you for being part of this important initiative.

Kevin Gietz, Superintendent

**Milo Community School
is putting together a community cookbook
with recipes from
the past to the present**

We would like to include recipes from:

- Former staff of Milo School
- Former students of Milo School
- Residents of the Village of Milo
- Residents from the surrounding area
- Current staff
- Current students
- Friends and relatives from near and far

Please submit your recipes as:

- A Microsoft Word document, you can email to the school as an attachment.
- Or hand written, and we will word process them for you.

If you wish:

- You can include your name with your recipe, but that is not a requirement.

The cookbook will be published and sold to the public with all proceeds going to the Milo Sustainability Fund to help get some of their initiatives started.

There is no limit to the number of recipes submitted by a family.

There will be drop boxes for hand written recipes at: the store, library, drop in center, and school, or you can email to:

jim.piot@pallisersd.ab.ca

Any suggestions or ideas, or if you know of someone you would like us to contact, call:

Laurie at 403-599-3979

We look forward to you helping us make a really great cookbook!
