We are still waiting for reports from the February 5 and 6 IB Authorization visit. Kerry will call them in the first week of May if we don't hear from them before that.

Jana e-mailed out an IB Brainstorming Google Document:

What does the IB Program mean to you?

Looking for simple wording, in a few sentences to describe what the IB program is and/or what it means to you. We want everyone's opinion! Students, teachers, parents, community members, etc.
